

# Excel ARAS

The ARAS is a superior quality HID Adjustable down light. The RAS is particularly suited to retail environments, but because of its elegant design is suited to areas such as foyers, reception halls and for display lighting.

- Available in two body sizes, the mini for G8.5 35W and 70W lamps, the larger body size for 70W and 150W G12 applications
- The RAS is available in white and silver for the larger body size and in silver only for the mini size
- All RAS product is supplied exclusively with Electronic Control Gear which can extend lamp life by up to 50%
- Emergency versions are also available
