

Naiad IP44

IP44 T5

Naiad

Naiad is one of the lowest IP44s in the market. Naiad is a perfect all-round luminaire, suitable for many different types of environments. The series is an excellent choice for the food industry, large-scale catering, multilevel car parks, corridors, locker rooms etc.

The 25-series is a further development of our popular 24-series.

Facts

Luminaire:

The body and the mounting panel are made of zinc-plated sheet steel with a powder-coated white finish. End-pieces of white ASA-plastic.

Reflector/louvre:

The lined prismatic diffuser is of clear or opal extruded acrylic plastic.

Connection:

Cable entries at the end-pieces and two top entries in the middle of the luminaire body. Supplied ready-connected.

Installation:

Surface- or wall mounting, or on a wire. Insert the enclosed seal at the keyhole slot for IP44 classification.

Miscellaneous:

Keyhole slots facilitate the surface mounting. Snap-in terminal block in the middle of the luminaire is standard. Luminaires marked OK are equipped with through-wiring facility and a 5-pole terminal block at each end-piece.
